WHAT YOU GET THAT YOU DO NOT GET ELSEWHERE

- 1 Written workmanship warranty**
12 months on film and matting installation — no bubbling, no peeling, no edge-lift. 24 months on firestop. Plus a 7-day rectification promise: any defect reported within 7 days of handover is corrected free.
- 2 Audit-ready documentation with every installation**
Installation certificate with batch numbers and photographs, product datasheets, and applicable test-standard references — filed and ready before anyone asks for them.
- 3 We maintain your asset register**
Rate-contract customers get a free yearly inspection and a maintained register of every mat, film and firestop system on site — condition, age, replacement calendar.
- 4 One vendor for the whole safety calendar**
Floor safety, glass safety and fire compartmentation from one group — the only 3M channel partner in Pune with in-house passive fire protection consulting and certification.
